December 19, 2011

Dear Friends,

Since 1964 the Missionary Aviation Repair Center (MARC) has provided a lifeline of hope to the villages of the roadless Alaskan wilderness. From supporting emergency relief and aid efforts in the villages of Hooper Bay and Eagle following major fire and ice jam disasters, to providing transportation for youth to attend camps in the summer where they're able to experience unconditional love, MARC has steadily strengthened our Alaskan community.

We're excited to announce Alaska residents will now be able to make a contribution to MARC through the State of Alaska's "Pick. Click. Give." program when filing on-line for their annual Permanent Fund Distribution (PFD) dividend. This year, you can make a meaningful and personal difference in the lives of other Alaskans by designating a portion of your dividend to be contributed directly to MARC.

Each PFD gift to MARC is tax-deductible to the full extent allowable under IRS tax code 501(c)(3); but more importantly, each gift helps share hope and change lives in Alaska. More than ever before, we believe spiritual change is fundamental to halting today's downward spiral of needless death and suffering in our Alaskan communities.

The many youth organizations, pastors, churches, missionaries, and Christian organizations we directly support could not minister as effectively and efficiently without MARC's help.

"As a pilot and preacher of the Gospel, I have a special appreciation for our friends and partners at the Missionary Aviation Repair Center. As much as I trust their technical expertise, I value their commitment to evangelism and share their heart for the people of Alaska."

*Franklin Graham
President & CEO, Samaritan's Purse*

We're excited that God provided this new stewardship opportunity and earnestly seek your help in spreading the news. More information is available at www.marcalaska.org/pickclickgive/. For additional insight or answers to any other questions, please contact our development director David Reese at (907) 262-5388.

In Christ,

Drew Baker
